EXECUTIVE EXTINCTION: EXECUTIVE ASSISTANT ASSASSIN

The story so far...

Mazutsu's ex-lover Ivy and Rose, his Executive Assistant, were forced to part ways under the threat of a helicopter attack. Yet, not before Ivy left a tracking device on Rose in order to find and kill the sinister mastermind. Meanwhile, she was able to track down Lily, Orchid and Aster at their warehouse safe-house, and explain her active part in recent events. However, Orchid's hidden motives proved to be far removed from her allies--as she betrayed the group by giving away their location to Mazutsu--who has arrived to exterminate all of them once and for all...
